We thank you for your patience while we navigate our way through our new journey due to the COVID-19 restrictions. As you may be aware our current regulations are directed by the department of health.

Unfortunately during this time we are unable to split table bills & we can only authenticate one membership card per table. While contactless card is our preferred payment we also accept cash.

Please consider your ordering time when selecting your meal. A well done steak & chicken kiev take approx. 30 minutes to cook therefore needing an hour from the time you order.

Due to our restrictions our session times cannot be extended.

The outside deck is open for smoking only & we cannot allow children outside during this time. For the health & safety of each other please be seated at all times other than attending the toilets which are located to the right of the bar.

The purchase of drinks is through table service only & alcohol can only be purchased with a pub classic or seniors meal.

Welcome Back!

***We hope you enjoy our new dining experience
with full table service***
